**EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

**The Choice of Stewardship**

What does it mean to be a good steward? Does it mean to be an active parishioner, or something more? Are we better stewards because we give more in terms of our money and time to our parish, or are we called to do even more than that?

The truth is that stewardship is a way of life. We are not simply called to be active parishioners, but instead be active disciples all the time. In fact, what we learn to do in our parish should serve as preparation for the mission field of the world. What have we really done if we only act like disciples of Jesus Christ while we are assembled with others who claim to be the same?

The choice before us is to give of ourselves in all aspects of our day and life. The call of Jesus will come in our everyday lives with our co-workers, family, and friends more often than it will within our parish community. First, if we can't become good stewards when we are among those who proclaim Jesus as Lord, how will we be able to do so when we are with those who are non-believers? Second, when our muscles of gratitude, generosity, and graciousness are strengthened within our parish community, we are more able to meet the challenges of this world. However, we do not become good stewards by accident. We must always choose to live this way. What will you choose?

**DIVINE MERCY: IN THE SECOND GREATEST STORY EVER TOLD:** Renowned speaker and author Fr. Michael Gaitley tells the dramatic history of God's love and mercy as interwoven through the transformative message of St. Faustina, the miraculous appearance of Mary at Fatima, the witness of Maximilian Kolbe, and the world-changing papacy of Pope St. John Paul II. Featuring the brilliant cinematic artistry of the Augustine Institute's film studio, the vast panorama of God's work of mercy in the world unfolds as a story to be experienced. **The study is free and will begin the week of September 14th. There is no homework other than to watch the video.** The video series can be found on FORMED which is free to all parishioners. STEWARDSHIP  
A way of Life

**STEWARDSHIP:** Offertory donations are essential for Holy Family's parish operations. We rely heavily on the Sunday offertory to maintain operational budgets, and fund staff positions and outreach activities in our community. Many of you have asked how to continue your support while you are unable to attend Mass in person. Holy Family uses Faith Direct to facilitate electronic giving directly to the parish accounts. If you are not already enrolled in Faith Direct you can use this link <https://membership.faithdirect.net/MD61> or use the link on the Holy Family website. You can join Faith Direct, using the Holy Family code of MD61 and make a one time or recurring donation from either your checking account or credit card. Options for giving include Offertory, Second Collection and special collections, such as Easter. Those of you who are already enrolled in Faith Direct can also use these links to increase your recurring donations if you believe that you are able to do this. Other options for supporting your parish include setting up your offertory donation through your personal online banking bill pay function. You may also mail your offertory envelopes to the Church office at Holy Family, PO Box 130, Davidsonville, MD 21035. If you have any questions or concerns, you may contact Donna at [office@hfccmail.org](mailto:office@hfccmail.org).

**POOR BOX DONATIONS** through Faith Direct is now available. Help those in need in South County through Holy Family's St. Vincent de Paul Society. You can add a donation weekly or monthly by using this link: <https://membership.faithdirect.net/enroll/MD61> or a one-time donation can be made at <https://membership.faithdirect.net/givenow/MD61>. **Thank you for your continued support.**

**PARISHIONERS 70½ YEARS AND OLDER:** Please remember that if you choose to make a charitable distribution from your traditional IRA account, Holy Family is qualified to receive such a distribution under applicable tax law. There are specific tax advantages for those over 70 and ½ years of age who choose to make these types of charitable donations. The donation must be made directly to the qualified charity and Holy Family will acknowledge each charitable donation in writing as required by tax law. **You should of course consult your tax advisor before making a federally tax-free charitable distribution from your IRA.**

**STOCK DONATIONS TO HOLY FAMILY:** Donating appreciated stock is an efficient way to make a charitable gift. It's easy and it saves the donor from paying capital gains taxes. If you itemize your deductions you are eligible to deduct the full fair market value of the stock, up to IRS limits. With the stock market near all time highs, utilizing appreciated stock for charitable gifting is worth considering. Effectively you're able to contribute 20% more than if you sold the stock and paid capital gains taxes. Please contact Donna at [office@hfccmail.org](mailto:office@hfccmail.org) in the parish office for information on the process for doing this.

**HOLY FAMILY MOVIE CLUB PRESENTS: "Beauty and the Beast,"**

Please keep in mind social distancing when finding a spot. For more information, contact Jeff Snively at [jeffsnively@gmail.com](mailto:jeffsnively@gmail.com).

## 21ST SUNDAY IN ORDINARY TIME

**CARING FOR CREATION MINISTRY:** *Did you know* that mosquitos are out in full force in August? Of course you do. Some thoughts for your consideration. Removing standing water is your first line of defense. Some of the spots to look

for standing water are clogged gutters, outside flower pots trays, birdbaths, plastic tarps and low spots in the yard. Some Mosquitoes can lay eggs that will hatch in 48 hours and emerge as larva. You can see them wiggling around in the water. Ponds with fish, flowing creeks and streams are seldom a problem. Spraying pesticides is one of the last things to consider. They generally kill all insects that are in the environment which is food for our wildlife. Yes, they kill butterflies. Fish, Praying Mantis, Bluebirds, Purple Martins, Dragon Flies, Swallows and Bats are all voracious mosquito predators. Some mosquitoes you might see around here are Salt Marsh, Yellow Fever and Asian Tiger mosquitos. **What to do?** Change your birdbath water every couple days, check your pots and fill in those low spots. Early in the morning and late evening are the mosquitoes most active times. Mosquitoes are attracted to carbon dioxide and lactic acid in sweat, but I would not suggest giving up on breathing just yet. Some repellent lotions or sprays and a fan is often all you need to enjoy sitting outside on a lazy summer day. Questions, email Chris Gordon, OFS at [christophergordon@verizon.net](mailto:christophergordon@verizon.net).
