**HOLY FAMILY**

*Dear Friends,*

This weekend we remember Mother's Day. This is a special day to recall those women who brought us into the world, whether they are living or deceased. It's also a day to recall the women who were **LIKE** a mother to us, who gave us the support and kindness of a mother. So, today we salute the many women who are mothers or who are/were **LIKE** a mother to someone and that means, then, so many women.

Let's honor today the nurturing spirit that we give thanks for when we remember Mother's Day.

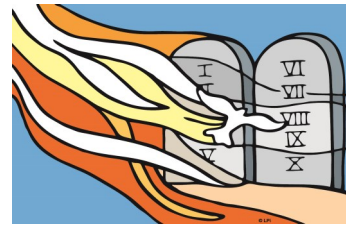

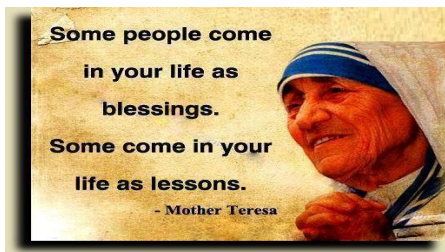

ALSO, if this day is a difficult day for you for whatever reason, whether the loss of a mother or a child or an inability to conceive or a difficult relationship with a mother or child, may you also know of our prayers on this day **AND** of the love of our heavenly Mother, Mary; who is human like us in every way, but who was mother to our Lord, to our God, to our Savior Jesus, and who always points us to her Son for salvation.

The Virgin Mary in heaven, like all the saints, are like a heavenly family for all of us!! Especially when our earthly family is either not present or there is some other issue.

It is good then today to remember our mothers, but also that we have a heavenly family praying for us also on this day.

Happy Mother's Day to all of our moms and mother-figures on this day: May you know of our thanks and admiration.

*Peace to you,  
Fr. Andy*

"If you keep my commandments, you will remain in my love, just as I have kept my Father's commandments and remain in his love. I have told you this so that my joy may be in you and your joy might be complete." **Jn 15:10-11**

**GIVE UP YOUR ENVELOPES!** We invite you to help your parish save money by giving up your offertory envelopes this Summer. **We know you'll be vacationing so why not have your givings electronically**

**sent to the Church?** Enrolling with Faith Direct will provide Holy Family with consistent support and simplify your giving without the wasteful envelopes. Visit [www.faithdirect.net](http://www.faithdirect.net) and use our Church code: **MD61**. Thank you for your continued support of our parish family!

**NORA'S KNAPSACKS:** *"For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink..."* We have bags available on a table outside the parish office for anyone who wishes to participate. All have been prepared with gloves and disinfectant. Keep in your car and give to someone in need. Any questions please contact Cyndi at [familyministry@hfccmail.org](mailto:familyministry@hfccmail.org).

♦ **REMINDER:** *If you change from envelopes to electronic giving through Faith Direct, please contact the office to cancel envelopes.*

**CALLED TO SERVE:** *"This is My blood of the covenant, which is poured out for many."* Are you being chosen by Christ to pour out your life's work for souls with Him as a priest? Contact your parish priest or deacon, or call Fr. Steven Roth at 410-547-5426 or email at [sroth@archbalt.org](mailto:sroth@archbalt.org).

**PARISHIONERS 70½ YEARS AND OLDER:** Please remember that if you choose to make a charitable distribution from your traditional IRA account, Holy Family is qualified to receive such a distribution under applicable tax law. There are specific tax advantages for those over 70 and ½ years of age who choose to make these types of charitable donations. The donation must be made directly to the qualified charity and Holy Family will acknowledge each charitable donation in writing as required by tax law. **You should of course consult your tax advisor before making a federally tax-free charitable distribution from your IRA.**

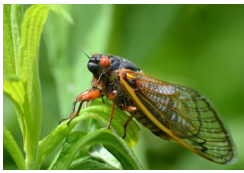

**JOIN OUR TEAM:** Holy Family is looking for a part-time person to fill our Building Maintenance position. This position consists of painting, cleaning, and other tasks at the parish. Would involve weekend work, Friday, Sunday, and Monday about 5-hours each day. The duties of the Holy Family Catholic Church Building Maintenance person cover the main Church and historic Chapel. A more detailed task list will be discussed with the applicant. Please reply to Louisa Woolery at [louisa.woolery@hfccmail.org](mailto:louisa.woolery@hfccmail.org) if interested, attaching work history and experience.

**STOCK DONATIONS TO HOLY FAMILY:** Donating appreciated stock is an efficient way to make a charitable gift. It's easy and it saves the donor from paying capital gains taxes. If you itemize your

deductions you are eligible to deduct the full fair market value of the stock, up to IRS limits. With the stock market near all time highs, utilizing appreciated stock for charitable gifting is worth considering. Effectively you're able to contribute 20% more than if you sold the stock and paid capital gains taxes. Please contact Donna at [office@hfccmail.org](mailto:office@hfccmail.org) in the parish office for information on the process for doing this.

**CARING FOR CREATION MINISTRY:**

Did you know Cicadas are God's Creation too? As I write these columns, usually 10 days before publication, they can be somewhat based on future events. So today as you are reading this I am guessing the

soil temperature has finally reached 64 degrees and you are beginning to hear that sound of Cicadas in the air. We hear them every year chirping away and often never actually see them. The 17 year Brood 10 is by far the largest of the lot, last seen in 2004. They will be everywhere. The birds, fish, snakes, mammals and of course our dogs and cats will begin joyfully crunching away on them for the next month or so. We will first know of them by their half inch holes that will appear in the sunny lawn and when planting in the garden areas. Later on, the holes will be seen in the shady areas of the landscape as that warms up.

To be clear, you will see them this year and definitely hear them. Mary Ann the sane one around here, is fearful that I may throw one of them on her. I can't imagine where she would get that silly idea. The important thing to remember they do not bite or sting There are so many of them and there will be billions of them that they do not need to defend themselves. After the initial wave and all the predators are so full they can't take another bite, the rest of them get to do their thing. The only purpose during this brief journey into the daylight is to find a mate and then the females will lay eggs on small live tree twigs smaller than a pencil. By July, they will sadly be gone. Nowhere else on this planet is this unique gift of creation seen, except in the Mid Atlantic area of the United States. Take pictures, share with your friends overseas.

So what was initially thought of as just a shoe drive, by the St Vincent de Paul Society, to support the Light House Homeless Shelter in Annapolis, turned into so much more. Sure it was a success, over 175 pairs of men and women's shoes were donated by our parishioners. SVDP used funds from the poor box to provide essential cleaning supplies, kitchen, bedroom and bath items for clients transitioning into traditional housing. Also provided were T-shirts, underwear and socks for both ladies and men in residence and those living freely. The Light House provides workforce training to help people return to regular employment. Thank you each and everyone of you for your generosity. This will truly make a difference in peoples lives. Email me at [christophergordon@verizon.net](mailto:christophergordon@verizon.net) if you have any questions.

**SACRAMENT OF RECONCILIATION:** Fr. Andy will continue *"curbside confessions"* on Wednesdays at 5pm and Saturdays 3:30pm.
