Dear Brothers and Sisters,

In the Gospel reading today, from Matthew 14, we have Peter walking on the water with Jesus for a moment.

In this summer season, most of us think of **WATER** as a good and fun thing....For us, the sea, or the ocean and the beach are wonderful and where we go to have fun and to have recreation, etc.

In the O.T. times, in Israel, the sea is thought of as a fearsome thing. It was thought of to be a chaotic and fearful thing to be out on the sea.

Maybe in the era before lighthouses, radar, radios, fiberglass boats and advanced understanding of being out on the sea it **WAS** more dangerous to be out on the water.

I mean: They probably had terrible boats, safety-wise, compared to ours.....**BUT ANYWAY**, in the mindset of people in Jesus' time in Israel the sea represents danger and chaotic powers beyond our control. It is a place to be afraid.

SO, when Jesus walks on the water in the story in today's Gospel, that act means something to the people of Jesus' time that we might miss. That, through walking on the water, Jesus was victorious over all powers of danger and chaos in the world.

In our own lives we may look at things that seem so chaotic in the world. Indeed, devout Christians **CAN** be adversely affected by powerful forces in this world – whether that be the oppression of a government not open to Christianity or it could be a bully at school or a busybody at work.

But, when we know who will have the victory in the end, and who has the real power in the universe – God – and that God is love and so **LOVE** will have the final victory in the universe....well, that helps us to see things in a different perspective, one that allows for hope despite everything in the world. Let's be people of hope brothers and sisters, knowing that Jesus will have the final victory.

11:15am **MASS INSIDE** on Aug. 9th. I will be away for two weeks to visit my mom and go to the beach. This is actually the first time I have left the parish since January because of Covid. Due to concerns about weather and not being able to make last-minute changes if there is rain, etc. while I am away, we decided that on the weekend of Aug. 8th-9th we will have our 11:15am Mass INSIDE, with double Masses in Unity Hall and in the Church. I am aware that we may have a decline in attendance at that time slot because of moving inside.

As a plus for moving the 11:15am Mass inside, we will have some **GREAT PRIESTS** with us those weekends: Fr. Matt Buening and Msgr. Jeff Burrill.

After those two weekends we will go back to having the 11:15am Mass **OUTSIDE** starting Aug. 16th and will continue to do so until the weather turns too cold for us to do so in the Fall.

STEWARDSHIP
A way of Life

STEWARDSHIP: Offertory donations are essential for Holy Family's parish operations. We rely heavily on the Sunday offertory to maintain operational budgets, and fund staff positions and outreach activities in our community. Many of you have asked how to continue your support while you are unable to attend Mass in person. Holy Family uses Faith Direct to facilitate electronic giving directly to the parish accounts. If you are not already enrolled in Faith Direct you can use this link <https://membership.faithdirect.net/MD61> or use the link on the Holy Family website. You can join Faith Direct, using the Holy Family code of MD61 and make a one time or recurring donation from either your checking account or credit card. Options for giving include Offertory, Second Collection and special collections, such as Easter. Those of you who are already enrolled in Faith Direct can also use these links to increase your recurring donations if you believe that you are able to do this. Other options for supporting your parish include setting up your offertory donation through your personal online banking bill pay function. You may also mail your offertory envelopes to the Church office at Holy Family, PO Box 130, Davidsonville, MD 21035. If you have any questions or concerns, you may contact Donna at office@hfccmail.org.

STOCK DONATIONS TO HOLY FAMILY: Donating appreciated stock is an efficient way to make a charitable gift. It's easy and it saves the donor from paying capital gains taxes. If you itemize your deductions you are eligible to deduct the full fair market value of the stock, up to IRS limits. With the stock market near all time highs, utilizing appreciated stock for charitable gifting is worth considering. Effectively you're able to contribute 20% more than if you sold the stock and paid capital gains taxes. Please contact Donna at office@hfccmail.org in the parish office for information on the process for doing this.

FREE CASSETTES: Never tossed that old cassette player? Thirty brand new, unopened classical music cassettes. Free to anyone interested. Email Fr. Francis Russo at francisxrusso@gmail.com.

CARING FOR CREATION MINISTRY:

Did you know I am seeing a lot less bugs than I used to. This is sad. I must say that my yard and perhaps yours those gardens at the entrance of the Church are just an oasis for many of our birds and bees. A hot afternoon can

bring many visitors from the giant bumble bee to the tiny solitary bees, not much bigger than a nat. As we look around there are houses and houses without a single flower or maybe a few things that bloomed in the spring and now nothing. What I keep seeing less of are all the Monarch and Swallowtail Butterflies, Luna Moths and the Fireflies or Lightning bugs? Perhaps you have too? Thinking that as important as some of these oasis's are, frankly they are not enough. We need your help. If you have an outdoor space, are you growing native plants that support our wildlife? Black Eyed Susan, Milkweed, Asters, Joe Pye, and Cardinal Flower come to mind, to name a few. Google before you buy. For those of you who love plants without a yard, can you grow native flowers in pots by the front door or balcony to feed our Butterflies? Our pollinators' thank you for every small step we take to live our commitment to Caring for Creation. Questions, email Chris Gordon, OFS at christophergordon@verizon.net.

DEACON DOUG'S Q & A: Question: On July 31st, the Church celebrated the Feast of St. Ignatius of Loyola. He is the founder of what order of priests and brothers?

Answer to last week's question about Mary Magdalene as "Apostle to the Apostles": Mary Magdalene is the only disciple of Jesus mentioned in ALL FOUR Gospel accounts of the Resurrection. Along with other women she is the first to see the empty tomb. In Matthew and Mark she is told by the angels to "go and tell the disciples." Luke and John say only that she went to tell the disciples. (Note: the disciples at first did not believe her).
